5. LETTER OF AUTHORIZATION

To the delivering firm: I understand that by signing section 7 below, I am authorizing New Direction Trust Company "NDTCO" to instruct you to transfer/rollover the assets identified in Section 4 of this form to my New Direction Trust Company Account. I represent that I have opened a retirement plan with New Direction Trust Company as the successor Custodian for the account. I understand that upon receipt of these transfer/rollover instructions, you will cancel all open orders in my account and will contact me regarding any account assets that are "not transferable." I understand that I am responsible for returning or destroying credit/debit cards and any unused checks issued in connection with my current securities account. I understand that to the extent that any assets in my account are not readily "transferable," with or without penalties, such assets may not be "transferred" within the time frames as set by FINRA Rule 11870, New York Stock Exchange Rule 412 or similar rule of the National Association of Securities Dealers or other designated examining authority.

I authorize you to liquidate any "nontransferable" proprietary money market fund assets in my account and move the credit balance to NDTCO. I authorize you to deduct any outstanding fees due from my credit balance; if the credit balance is insufficient to cover any outstanding fees, I authorize you to liquidate assets in my account to satisfy the obligation. I authorize you to deliver physical certificates or other instruments in my account in good deliverable form (including affixing any necessary tax waivers) to allow NDTCO to register them in street name for the purpose of sale when and as directed by me. I understand that any fractional shares of stock are "nontransferable" and will be liquidated; any liquidation of such shares may constitute a taxable event.

6. SIGNATURE AND ACKNOWLEDGEMENT

I hereby agree to the terms and conditions set forth in this account asset transfer/rollover authorization and acknowledge having established a self-directed IRA through execution of the account application. I understand the rules and conditions applicable to an account transfer/rollover. I understand that any of the investments in my account that I would like moved are the responsibility of my current Custodian therefore the current custodian of my investment is responsible for handling any of the re-registration of my investments currently being held by them. I swear and affirm that I qualify for the account transfer/rollover of assets listed in the asset liquidation above and authorize such transaction(s). I understand that no one at New Direction Trust Company has authority to agree to anything different than my foregoing understandings of New Direction Trust Company policy.

I understand that if this transfer is occurring during or after the calendar year during which I attain the age of 70½, the required minimum amount determined under this IRA is still required to be distributed. I further understand that the current Trustee/Custodian is not responsible for making the required minimum distribution prior to the movement of assets. I accept full responsibility for satisfying the required minimum distribution applicable to this IRA by withdrawing sufficient amounts from another IRA prior to the deadline for receiving minimum distributions for the calendar year of the movement of assets to New Direction Trust Company. If this movement of assets is a Transfer and leaves the "transferor"

IRA in one year but does not reach the "transferee" IRA until the following year, I understand that this will be an "outstanding transfer" as of December 31st. The new IRA must "deem" that the "transfer" was received as of the prior December 31st for determining any required minimum distribution from the "transferee" IRA for the year that the "transfer" was received. I swear and affirm that I will inform the "transferee" IRA Trustee/Custodian of any such outstanding "transfer." If this is a direct or indirect rollover 1) I understand the important tax consequences of this election 2) I assume full responsibility for this rollover 3) I will not hold the Custodian, New Direction Trust Company or issuer of either the distributing or receiving plan liable for any adverse consequences that may result and 4) I irrevocably designate this contribution of assets as a rollover contribution.
